FORT MYER SHOW THRILLED BANKERS

Cheered Agile Work of
Famous Cavalry.

TOOK RIDE DOWN POTOMAC

Those Left Out of Military Post Saw
River Banks From Steamer's
Saloon Windows.

One thousand of the delegates to the American Bankers' convention, and their wives, visited Fort Myer yesterday afternoon to witness the cavalry and artillery drill. As the barracks only accommodated 800, there were over 100 more turned away.

Another exhibition will be given today for the remainder of the visitors.

Everything done received hearty applause from the visitors, but the portion of Troop F who rode without saddles over three horses and the hurdling of three horses, carrying six men in a pyramid above them, aroused the bankers by their daring.

The artillery drill of the Third Battery was applauded from the moment the four cannon, drawn each by sixteen horses, came into the barracks at a gallop.

Made Barracks Ring.

The celebrity with which the men uncoupled the guns and fired charge after charge astonished the men who handle the nation's money. When the lumbering carriages were driven between stakes only two inches outside of the wheels the barracks resounded with cheers.

All the feminine finery of New York and Paris was displayed at the fort yesterday. Bright gowns, pretty women, gaily uniformed officers and dashing horses formed a striking picture.

After the drill many of the bankers visited Arlington. All members of the American Bankers' Association were provided with free transportation to and from Fort Myer.

Went Down River.

About 500 took the steamer Norfolk past Mt. Vernon. The visiting bankers were the guests of the local bankers. Luncheon and music were provided. The long saloon windows were lined with spectators, for the wind was raw and cold, and men were stationed in the cabin to point out places of historical interest. The boat did not return to Washington until 4:30 p. m. Another trip will be given at 2:30 o'clock this afternoon for the bankers who visited Fort Myer yesterday. Many of the bankers and their wives went to Mt. Vernon because tickets for Fort Myer could not be procured.

F. N. GRAY, OF TEXAS, PUT ON COTTON BOARD

Secretary Wilson Picks Him as Second
Statistician in Reorganization.
Hutchinson Possible Chief.

F. N. Gray, of Houston, Texas, has been appointed the second Southern member of the statistical board, Department of Agriculture.

Secretary Wilson, in making this announcement, has fulfilled a promise he made some time ago to the Southern Cotton Association that when the new statistical board was definitely formed, two experts in cotton statistics would be named. Two months ago, P. L. Hutchinson, of New Orleans, was named as one member, and after a thorough search for a man of unquestioned ability, Gray was appointed this morning.

The selection of a statistician as chief of the statistical bureau has not as yet been definitely settled. In some quarters it is said that Hutchinson is in the South and will not return to the department again until December 1.

ARMY AND NAVY PREPS WON FROM CENTRAL

Baker's Seventy-five-Yard Run Re-
sulted in Only Score of the
Game—The Line-Up.

At National Park yesterday afternoon the Army and Navy Prep School team defeated Central High School by 6 to 0.

Yoder made several substantial gains, but got into a difficulty and King took his place. Porter, at quarter, showed good judgment in directing his plays.

In the first half Baker, the Preps' right halfback, circled right end and ran seventy-five yards for the only touchdown of the game.

In the second half the game was evenly fought, without either team getting an advantage. When time was called Central was within twenty yards of the goal and steadily gaining.

Oyster, Central's fullback, played an excellent game, repeatedly making good holes in the opposing line for the other backs, and pulling them through for substantial gains.

The line-up: Positions. A. & N. Central. L. E. Barr Fleming L. G. Gohn Taylor Center R. G. Horton E. Rith R. T. Seabury McCormick R. T. Seabury (Acting captain) Yoder, King, R. E. Kuhn Porter, Q. B.
